Bike 2 Build ~ Sat July 11 - Sat July 18 Cycle Where You Are for a place to call HOME

2020 marks our 12th annual ride to benefit the work of Habitat for Humanity, wow!!! During this worldwide pandemic, we are moving our Bike2Build, San Luis Valley Century event to a virtual event to foster a collective cycling camaraderie. In this time of home quarantine, the importance of having a safe place to be at home is truly significant. We will truly miss serving baklava, rugelach, fresh baked muffins at the rest stops this year!!!

Join us, cycle where you are, any distance you would like and raise funds for a place to call HOME. You can pedal a road bike, a commuter bike, a mountain bike, a stationary bike...any kind of bike...between Sat July 11-Sat July 18. Ask your friends and family to pledge your pedaling!! During your ride, share with us photos, maps, snippits. We'll have a virtual gathering on Sat July 18 for all who would like to take part. Be well and pedal safe.

Yes! I am making a donation to affordable housing.

Habitat for Humanity has been serving families in the San Luis Valley for over two decades!! Habitat for Humanity is a housing ministry working with low-income families and volunteers to build simple, decent, affordable homes. Habitat Homes are purchased by applicant families with no-profit, 0% interest mortgages.

Waiver and Release (please read and sign below)

I will pedal safely and I will wear an ANSI approved helmet during my ride. I waive and release any claim for damages I may have against Bike 2 Build organizers, SLV Habitat for Humanity, Habitat for Humanity International for injuries or property damage suffered by me during my ride. I will hold in my conscience safe, decent, affordable housing for all. I allow the use of my image in photos and video to help share the Habitat for Humanity message.
